

MEN'S CLUB

Woodlawn Men's Club has been in existence for many years. We are presently a happy group of guys who enjoy the fellowship of Christian friends at Woodlawn. We get together on the second Thursday of each month at 1:00pm (12:30pm beginning in September) in Room 101 on the lower level, across from the cafeteria. Our time is spent with a Bible study on a practical subject for every day, led by one of our pastors, which refreshes us spiritually. That is followed by a meeting and recreational activity. June is our "picnic" month.

We continue to be a service group to Woodlawn, assisting with many tasks from light duty office work all the way to set up and take down for special events. Some of us are limited as to physical work. Some are able to move furniture or put their skills to work with light carpentry, plumbing or electrical, or just getting better acquainted. There is no age limit. Our property is large and aging, even as we are. The more hands we have, the easier the tasks become and the more the Lord will be pleased with the condition of His house and those who care for it.

Come and join us soon, even if you are not retired, if the time of our meetings will fit into your schedule. We do our planning over cake and coffee and also have a recreational activity and occasional field trip.

We have no boss except the Lord who has blessed us abundantly with our church and school staff and fellow members.
