

Next Week: Pentecost 7

Theme: The Christian finds rest in Jesus. From the beginning of time, God provided rest for his creation. He blessed the seventh day and set it apart, that man might learn to find his rest in God alone. In Jesus, the Christian finds rest from his burdens, rest from his battles, and rest forever in heaven.

PASTOR WESSEL CALL

Pastor Wessel has received a call to serve as pastor of St. Paul Lutheran Church in Marshall, Wisconsin. Please pray that God would guide him as he decides whether to continue serving at Woodlawn / Lamb of God or to accept the call from St. Paul.

LIVESTREAMING

It was an important aspect of ministry before the Safer at Home mandate. Now it has become an even more significant way to reach members and neighbors with the message of God's Word. We have purchased new equipment for livestreaming of services and events. David Hofer and Jef Jaeger have been spending lots of time becoming familiar with the equipment and working through some of the challenges. They are eager to pass on their knowledge to others! We need people of all ages, male and female, who are interested in learning more about this technology so that we can livestream our services each week and livestream our school chapel services once school is back in session. Let one of the pastors or Jef and David know about your interest and we will work on getting you trained.

OUTSIDE PROPERTY MAINTENANCE

The Lord has blessed our church and school with wonderful (and extensive) property. One of the challenges we face is maintaining the landscaping throughout the summer months. Often it has fallen on just a few dedicated individuals to maintain the property. The time has come when those individuals are not able to commit as much time and energy to this effort. It has been suggested that members and friends of our church and school commit to taking care of one small section of the property that is more easily managed. The time and energy commitment would be less. It might mean trimming just a few bushes or pulling just a few weeds 3 or 4 times a year. Will you please consider "adopting" a section of our property and taking care of it? Some people have already begun this effort! Thank you! You don't need permission to come on your own schedule, but if you have questions or are in need of equipment, please reach out to any of our maintenance people: Church Council Members Mike Larsen and Aaron Kreel, Al Schumacher, Ron Krenz, David Fieldstad, Joe Lucchesi.

SCRIP

Thank you for your orders which came to \$1,700! Our next order will be on **Monday, July 20**. We will continue every other week until the school year begins. The dates are posted on the school bulletin board. We do have several popular cards in our inventory if you are looking for something in between orders. Contact Mrs. Gasper at mgasper@logls.org with questions. If at any time we do not have enough orders to cover the cost of shipping, those orders will wait until the next order date. Order forms and a retailer list are in the carousel outside Pastor Kneser's office.

PLAYGROUND HELP NEEDED

It's that time of year and the woodchips are here! All hands are needed to make our playground look great for this coming school year.

On Sunday, July 12 at 6:00pm we will be spreading out woodchips around the playground structure. Please bring your shovels, wheel barrows and rakes to make the task go smoother. Thank you!

VOLUNTEER LIST

We will not need Greeters or Bulletin Stuffers until services return to normal. However, we still need Church Cleaners to come in as usual. We are working on a new list for the next few months and need volunteers. If you would like to volunteer or are currently on the list and wish to be removed, please contact Mrs. Gasper or one of the pastors.
