

Next Week: Guest Speaker, Pastor Joe Radsek, Institutional Ministries.

Theme: The Mission of Institutional Ministries: To provide direction, comfort and hope by sharing God and His love with individuals (and their families) who are, or have been, in an institution.

LIVESTREAMING

It was an important aspect of ministry before the Safer at Home mandate. Now it has become an even more significant way to reach members and neighbors with the message of God's Word. We have purchased new equipment for livestreaming of services and events. David Hofer and Jef Jaeger have been spending lots of time becoming familiar with the equipment and working through some of the challenges. They are eager to pass on their knowledge to others! We need people of all ages, male and female, who are interested in learning more about this technology so that we can livestream our services each week and livestream our school chapel services once school is back in session. Let one of the pastors or Jef and David know about your interest and we will work on getting you trained. This week the Saturday 5:00pm service will be streamed.

VOLUNTEER LIST

We will not need Greeters or Bulletin Stuffers until services return to normal. **However, we still need Church Cleaners to come in as usual.** We are working on a new list for the next few months and need volunteers. If you would like to volunteer or are currently on the list and wish to be removed, please contact Mrs. Gasper or one of the pastors.

PASTOR WESSEL CALL

Pastor Wessel has received a call to serve as pastor of St. Paul Lutheran Church in Marshall, Wisconsin. Please pray that God would guide him as he decides whether to continue serving at Woodlawn / Lamb of God or to accept the call from St. Paul.

THANK YOU FROM PASTOR WESSEL

Thank you for your overwhelming love and support for me and for my family during the recent passing of my mom. We have some sadness and emptiness, but mostly peace, knowing that she trusted in her Savior Jesus and he has now welcomed her home to eternal life, free from this sinful world. *"Now we know that if the tent that is our earthly home is destroyed, we have a building from God, an eternal home in heaven, which is not made by human hands."* – 2 Corinthians 5:1. I am blessed to have you all in my life!

OUTSIDE PROPERTY MAINTENANCE

The Lord has blessed our church and school with wonderful (and extensive) property. One of the challenges we face is maintaining the landscaping throughout the summer months. Often it has fallen on just a few dedicated individuals to maintain the property. The time has come when those individuals are not able to commit as much time and energy to this effort. It has been suggested that members and friends of our church and school commit to taking care of one small section of the property that is more easily managed. The time and energy commitment would be less. It might mean trimming just a few bushes or pulling just a few weeds 3 or 4 times a year. Will you please consider "adopting" a section of our property and taking care of it? Some people have already begun this effort! Thank you! THERE ARE STILL A FEW SECTIONS OPEN!!

You don't need permission to come on your own schedule, but if you have questions or are in need of equipment, please reach out to any of our maintenance people: Church Council Members Mike Larsen and Aaron Kreef, Al Schumacher, Ron Krenz, David Fieldstad, Joe Lucchesi.
